

## ProcureAz Alert

**Date:** August 21, 2015

**To:** ProcureAz Technical Leads

**From:** ProcureAz Help Desk

**Re:** Logging in to UAT after the Data Refresh

---

This a reminder that UAT has been refreshed with data from Production. This data refresh includes login IDs and passwords. Remember to use your Production login information when logging in to UAT.

If you have any questions please contact the Help Desk at 602-542-7600, option 2.
